Junior Player's Agreement

Parents - this agreement needs to be read with your child and signed by both your child and yourself.

I, (player's name) agree to:

1. Play by the rules.
2. Respect my coach and team manager – this means listening to and doing what your coach and manager ask you to do.
3. Pay attention and not muck up in training or at games.
4. Respect my team mates – this means no bullying, teasing or being nasty to other players.
5. Respect the players of the other teams - this means no bullying, teasing or being nasty to other players. Treat everyone like you want to be treated.
6. Control my temper – no swearing or calling other people names, pushing or violence.
7. Come to training regularly, with the appropriate equipment (eg shin pads and appropriate shoes) and with a good attitude.
8. If food (including lollies and ice-cream) is brought to training, eat it before or after but not during training.
9. Try my best – everyone has put a lot of effort in to train and play, make it worthwhile by giving it your best.

If I break this agreement, I understand that I might be asked to sit out of training activities or matches, and my parents could be contacted.
