

Bundeena Maianbar Football Club

Terms and conditions of registration 2017

By registering you must accept the following terms and conditions.

BMFC Smoke-free policy

Bundeena Maianbar Football Club recognises that passive smoking is hazardous to health and that children and those non-smoking club members and visitors have the right to be protected from exposure to tobacco smoke. Smoking is not permitted on or around the ovals, the clubhouse, canteen/BBQ area or other venues. If anyone wishes to smoke it should be done away from club facilities, out of the view of spectators, children, players and the general public.

No Pay, No Play Policy

Part of your registration fee goes towards player insurance and any player who hasn't paid their fees is not covered for injury. Therefore any player who has not paid their registration fees will be unable to train or play until fees are paid in full. This includes both junior and senior players.

Canteen volunteering

It is a condition of registration with BMSC that each player or their representative (eg parent/guardian) undertake voluntary canteen shifts as determined by the team manager. The canteen is the club's main source of income and profits are used to cover operating costs.

Jewellery Policy

A player must not use equipment or wear anything that is dangerous to himself or another player (including any kind of jewellery). This includes anti-discrimination bands, leather necklaces and any other loose wristbands.

The taping of jewellery is no longer allowed (including earrings and wedding rings).

Sweatbands may be worn.

Any player not complying with these regulations will not be allowed to play.

Exception: If in the opinion of the Referee, a medical bracelet or necklace presents no danger, then it may be allowed on the condition that it can be taped or bandaged to the body to provide protection. A medical bracelet can be covered by a tight wrist guard and similarly, a medical necklace can be sufficiently padded.

Training, coaches and managers

It is a requirement, with child protection considerations in mind, that there be a minimum of two responsible adults present for the duration of all training sessions otherwise training will not proceed.

A team contact list will be distributed at the beginning of the season. It is up to each team to arrange their own coach(es) and manager(s).
